

A message from the Director

Dear Chess Enthusiasts,

Bringing young chess players together continues to be one of my passions. My thirty years as an instructor/organizer of chess programs has given me definite insights into the best way of structuring a positive chess experience. I have selected a talented group of instructors, all eager to make your child's summer a memorable one.

Sincerely,

Sunil Weeramantry

Executive Director, NSCF

"I liked everything about the summer chess program! I like the fun chess games and I like all of the great chess instructors. I really like having a chance to play strong chess players! "

Reuben age 6

"My son absolutely loved the chess program; Sunil is an excellent teacher and the hours of are very convenient"

Summer Chess Program 2010

Come join other scholastic chess players at this historic Girl Scout house for a summer chess experience you won't forget. Located in central Scarsdale, our day program features a balance of formal chess instruction and summer time recreation. All participants will receive both group and individual instruction.

The NSCF staff features full-time chess professionals who all share an enthusiasm for working with children. Every teacher is an active tournament player as well as a provider of classroom instruction. It is this flexibility that enables our staff to reach each and every player!

All registrants must provide a completed medical form at least two weeks prior to the start of the program
