# Summer Chess Program 2010

Come join other scholastic chess players at the Solomon Schechter Upper School for a chess experience you won't forget. Located in central Hartsdale, our day program features a balance of formal chess instruction and summer time recreation. All participants will receive both group and individual instruction.

The NSCF staff features full-time chess professionals who all share an enthusiasm for working with children. Every teacher is an active tournament player as well as a provider of classroom instruction. It is this flexibility that enables our staff to reach each and every player!

A daily hot lunch and afternoon snack is included in the program fee.

There is a half day option available ending at or starting at noon.

\*After-session care until 5pm is available for an additional fee through the Solomon Schechter School. Please contact Rich Silverstein directly at 948-8333 X130.
